# FAQ

## What do you offer?

We help with mental health and substance use disorders through therapy, case management, medication, and other services.

## What insurance do I need?

All services are covered through Medi-Cal. We can cover costs for those who are undocumented. Private insurance and no insurance are scaled to income.

## How do I schedule an appointment?

Call your nearest clinic to schedule an assessment/first appointment. You can also ask about when you can walk in without an appointment.

## What do I bring to the first appointment?

Please bring your identification card (I.D.) and insurance card if you have them.

## Who needs to come to the assessment?

The client and parent/legal guardian of children must come to the assessment.

## Where are services provided?

Services can be provided in the office, the client's home, or school.

## How do I refer a client for services?

Call your nearest clinic and request a referral form. Completed referral forms can be faxed or mailed into CCS locations.
